

CED Computing Center –

HOW TO: Install Adobe Illustrator CS

FOR PC LAPTOPS

Spring 2008

- 1) Ensure that you are wirelessly connected to CEDPROXIM. If you are not, please check with the lab monitors at Wurster Rm 477, or email CED_computing_help@lists.berkeley.edu
- 2) Ensure Sassafras K2 client has been installed onto your computer. Verify by going to the Start Menu → Programs → Sassafras K2 → KeyVerify.
- 3) You should see Keyserver connection information, and under KeyVerify License Information, "Status" should read, "valid". If you have receive any other message, please check with the lab monitors at Wurster Rm 477, or email CED_computing_help@lists.berkeley.edu
- 4) Log into the Novell network and then find the S:\ drive in the My Computer window.
- 5) Find the Illustrator CS folder and open it; then open the 1. Install folder.
- 6) Run the Setup application.
- 7) When the Setup application prompts you for the registration number, input:

1034 – 1412 – 3128 – 9948 – 8846 – 1067
- 8) When you are finished installing, please close the window.

If you experience any problems, please see the Computing Assistants office at Wurster Rm. 477. Or, alternatively, you can email us at CED_computing_help@lists.berkeley.edu
