

Petition for Confirmation of Minor Program Completion

This form is to be used to notify the College of Environmental Design that you have completed all the requirements for a minor in their college. It is to be used by any UC Berkeley undergraduate, regardless of major, as long as the minor completed is in the College of Environmental Design. Please complete the form and file it in the appropriate CED department by the end of the fifth week of the semester in which you complete the minor requirements. The CED advisor will then certify completion of the minor to the Registrar and it will be noted in the Memorandum section of your Berkeley transcript.
