

CHANGE OF COLLEGE/MAJOR PROCEDURES Urban Studies

Follow these instructions if you are either 1) currently a student in any college outside of the College of Environmental Design (CED) at the University of California, Berkeley, or 2) a CED student wishing to switch majors. Please read these instructions carefully. Incomplete petitions will be denied.

In order to be considered for admission to the College of Environmental Design, you must submit the following materials:

1. The Registrar's Change of College, Major, or Curriculum petition (attached).
2. The College of Environmental Design's Supplemental Application for Admission in Urban Studies (attached).
3. A Program Planning form (attached) with your proposed schedule to complete all requirements for the major.
4. Transcripts from post-secondary schools attended other than UC Berkeley, and any Advanced Placement (AP) test score report forms (if not already reflected on your DARS report).
5. A 750-word (maximum) essay explaining your educational/professional goals and why you would like to do a major in urban studies.

You may apply for change of college no more than twice. You will be considered for change of college only if you:

- have completed at least one semester of coursework at UC Berkeley.
- have completed **fewer than 90 units** at the end of your last term before admission to the College of Environmental Design.
- are able to complete your degree within the College of Environmental Design's semester/unit limit.

College credit you earned while still in high school is not counted in consideration of the above.

Please note: The grade point average (GPA) is a significant consideration for admission to the College of Environmental Design. Students who meet all other criteria and have a 3.0 or higher GPA are more likely to have their applications approved.

SUBMISSION OF MATERIALS

Applications are reviewed on an ongoing basis during the fall and spring semesters. Submit materials to the Undergraduate Advisor in City & Regional Planning, 228 Wurster Hall.
