

Curriculum Petition for ENV DES 11A/11B

NOTE: All Urban Studies majors must complete three lower-division ENV DES courses from the list specified in the Urban Studies handbook. However, students may petition to substitute ENV DES 11A / ENV DES 11B or both with one of the courses listed below.

The substitute course cannot be used to meet upper division CED electives or Urban Studies major requirements.

PLEASE NOTE:

If you are interested in design, 11A/11B is highly recommended.
Should you decide to take CP 140 11A/11B is preferable.
