TO: Undergraduate and Graduate Students
   Landscape Architecture & Environmental Planning

FROM: Walter Hood
   Chair, Prizes and Awards Committee

RE: H. LELAND VAUGHAN MEMORIAL AWARD

Professor Leland Vaughan taught in the Department of Landscape Architecture at Berkeley from 1930 to 1969. He was a skillful teacher and administrator and served as the Chair for fifteen years. His personal warmth and wisdom were enjoyed and appreciated by hundreds of students who passed through the department during his tenure at Berkeley. Professor Vaughan’s interests in planning, conservation, and design gave him a wide circle of friends and colleagues, many of whom were brought in to teach in the department which was the central focus of his life's work.

Upon his death in 1974, the Northern California Chapter of the ASLA raised funds from alumni, professional colleagues, and friends to establish a memorial award administered by the department. The awards are dependent on the income available from the fund and the quality of the materials presented. Typically, a minimum of two awards, one for graduates and one for undergraduates, are given with a value of $3,000.00 each. However, prize distribution may change at the discretion of the Prizes and Awards Committee.

Awards are given to students who have shown both academic distinction and active participation in departmental affairs. In order to apply, you must meet the following criteria and requirements:

1. Completion of at least two semesters in the Department of Landscape Architecture by Fall 2013.
2. Departmental GPA of 3.3 or above in Landscape Architecture courses.
3. Evidence of active participation in departmental activities such as committees, student affairs, and special programs must be shown.
4. Submission of a project you have already completed--a term paper, design project, or other evidence that shows ability in landscape design or environmental planning. Work must have been individually executed; no teamwork is permitted. The size must be portable. Please no oversize foam boards.

Submit your application and project to the LAEP Grad Office (206 Wurster Hall) by 4:00 P.M. on Friday, April 25th. Applications will be reviewed by the Prizes and Awards Committee and recipients will be announced in April. NO ELECTRONIC SUBMISSIONS.

Deadline is firm; no late applications will be accepted.
APPLICATION FOR H. LELAND VAUGHAN MEMORIAL SCHOLARSHIP

Name:__________________________________ Graduate _____ Undergraduate: _____

No. of Semesters Completed by End of Fall 2013: ________________________________

Landscape Architecture Courses Taken:

Participation in departmental activities. List names of activities and how you participated.
